

Come massimizzare il nostro impatto per la cura dei **tumori del timo e dei tumori rari**?

Anche quest'anno appuntamento al **"RCE-ESMO-ESO Training Course for Rare Cancer Patient Advocates 2021"** a cui parteciperanno pazienti, ricercatori e oncologi **provenienti da tutta Europa**.

Dibattiti, sessioni, in cui sarà possibile discutere con altri rappresentanti di malati con tumori rari e con esperti su agenda UE sui tumori rari, COVID-19 e il cancro, e il coinvolgimento dei pazienti nella ricerca clinica.

Questo il programma ([Patient Training 2021_Agenda](#)), **partecipazione aperta a tutti gli interessati previa registrazione**

Session 1: Rare Cancers on the EU Agenda - 14 January, 16.00 - 17.40 (CET) [Register for this session here](#)

Session 2: PATIENT CAFÉ COVID-19 and cancer: lessons learned, pathway for the future 18 January, 16.30 - 18.00 (CET), [Register for this session here](#)

Session 3: PATIENT CAFÉ PATIENT INVOLVEMENT IN CLINICAL RESEARCH 19 January - 21 January (CET)

Session 3 is composed of three different sub-sessions of one hour each, and they are will be centred on **patient involvement in clinical trials, patient involvement in clinical registries** and, finally, **patient involvement in tumour banks**. The agenda for the sub-sessions is the following:

- **Patient involvement in clinical trials 19 January, 16.00 - 17.00 [Register for this session here](#)**
- **Patient involvement in clinical registries 20 January, 16.30 - 17.30 [Register for this session here](#)**
- **Patient involvement in tumour banks 21 January, 16.30 - 17.30 [Register for this session here](#)**
