

It's now available the video-recording of the "**1st webinar for PATIENTS with EURACAN ERN physician expert on TET**" that was held on the 23/5/2022 during Thymic Malignancy Awareness Month.

This webinar involved the major physician experts on thymoma and thymic carcinoma of the Euracan ERN network.

The video can be watched [HERE](#) with an index available.

Other webinar on thymic malignancies (thymoma and thymic carcinoma) are available on [ITMIG website](#)

If you are interested in what TUTOR is doing with [EURACAN ERN](#) network, please [contact us](#)
